Leave the M1 at Junction 30 onto the A619, signposted WORKSOP and continue to WORKSOP. On the outskirts of WORKSOP you will come to the WORKSOP by-pass. TURN LEFT at the roundabout, signposted A57, Sheffield, and at the next roundabout TURN RIGHT, signposted BLYTH. Continue on this road through WORKSOP following signs for BLYTH, B6045. As you are leaving WORKSOP on the B6045 you will see BASSETLAW HOSPITAL on the right from which point you have just under 4 miles to travel. Approx. 1/2 mile before the turn off to HODSOCK PRIORY there is a double bend and a bridge over a small river followed by large detached house on the left. The turning to HODSOCK PRIORY is then on the left.

SAT NAV users please be aware that some systems direct cars through CARLTON-IN-LINDRICK and then along the disused Hodssock Lane to a dead-end in a field. If you set your SAT NAV for BLYTH you should avoid the field!
